

Department of Geography Faculty Research Support Awards

The purpose of these award is to support faculty research in a number of ways. Some suggestions are equipment, software, supplies, article editing, research assistants, and publication fees (for yourself or your students). We will also support conference registration and travel, once you have exhausted regular departmental or Faculty Affairs funding. However, if you are not presenting, we will consider support above the regular yearly departmental funding.

This award will be offered three times a year, September 1, December 1, and May 1. Payment of expenses or dispersal of funds will be through Theresa. Due to the limited amount of funds available, the maximum award will be \$1000/person/year. However we will consider emergency funding of up to \$5000. **All** funding depends on the availability of funds for the faculty as a whole for the fiscal year.

Award Notification: 1-2 weeks following submission of complete application

Application Process:

Submit a completed application form to the Faculty Budget Committee c/o Theresa (theresak@sfsu.edu):

Evaluation:

Applications will be evaluated based on the following criteria:

- Significance of this award to the professional development of the faculty
- Financial need vs funds available
